FOREWORD

This year our valiant high school mascot, the bulldog, is keeping up with the modern space age. Yearning for adventure, our pup, has decided to take an educational space trip. Before blasting off our brave heroic fellow consults the Faculty and Administration for wise counciling. After a smooth start he looks down to see what his classmates are doing on earth. He compares their "doings" with the Studying, Sports, Activities and Music on other planets. They provide a well-rounded education for our friend. He is now ready to be graduated and start his long career in the unknown world of tomorrow.

As you leaf through the pages of the **Orange and Black** you will find this comical theme explains the smooth functioning of our school life in Jersey Shore Area Joint High School.

OUR TRIBUTE TO
Mr. Joseph McIlwain

Mr. Joseph McIlwain came to us in the fall of 1929 from a position as supervising principal of Ralston High School and McIntyre Twp. consolidated schools. Although he came here expecting to stay only temporarily while taking work at Penn State, he got his feet wet in Pine Creek and remained year after year as teacher of math, physics, and chemistry. Several years ago he took an interest in guidance and carried on considerable work in that field in addition to full time teaching. As guidance activities became more time consuming, he was relieved of some teaching duties and two years ago was named full time director of guidance. His teaching career has consisted of teaching every grade from 1 to 12 and nearly every high school subject.

He entered the army near the end of World War I, was later commissioned a second lieutenant, and has been an officer in the reserve components since that time. Most of his training was in Infantry and the Tank Corps but about a year before World War II he was put on extended active duty and transferred to the Adjutant General's Corps. At the close of the war, he declined an offer to serve on Gen. MacArthur's staff in order to return to Jersey Shore and his chosen profession as teacher.

He is a graduate of Muncy Normal School, holds a bachelor's degree from Penn State and a Master's degree from Bucknell. In addition to certificates in guidance, he holds state certification for supervising principalship and county superintendency.

Was it hard work Mr. McIlwaine?

His hobbies are photography, painting, wood working, and g a r d e n i n g. He is also active in church, fraternal and civic organizations. Upon retiring, he is looking forward to a very busy life in activities other than those within the school. We wish you good luck Mr. McIlwain

FOOTBALL STANDOUTS

VARSITY FOOTBALL

Our 1957 Bulldog Team had quite a mixed-up season. They were hit by the "flu-bug" and as a result their schedule was rearranged with the Northumberland game being cancelled completely.

"Mr. Flu-bug" didn't discourage them though, and under the leadership of Coach, Sticinski and Assistant Coaches Graff, Jennings, and Hinkel they came out with a 6-3 average for the season.

The Bulldogs were rated fourth in the Susquehanna League and placed veterans Breining and White on the Susquehanna League's All-Conference Team. Dave Meckley, who received honorable mention on the U.P. All-State Team, was named to the second team and Ludwig, Potter, and Miller received honorable mention. Danny White was placed on the Third U.P. All-State Team and Breining received honorable mention in the Central League.

Senior members bowing off the gridiron include: Gary Koons, Dave Breining, Tom Lanks, Danny White, Dave Meckley, Vance Miller, Jim Potter, Fred Callahan, and Howard Markle.

J.V. FOOTBALL

The J.V. Football squad under the leadership of Mr. Graff and Mr. Hinkle, in a season abbreviated by the "flu bug," still got their preblastoff training. After having a mis-fire on their first attempt, they managed to reach their orbit and wound up their season with a two-three record.

Next year when these boys advance their rank to varsity, we are sure that they will make it to the moon.

YEARBOOK NIGHT

Slow graduates, aren't they, Perry?

Are yearbooks better than Farm Manuals?

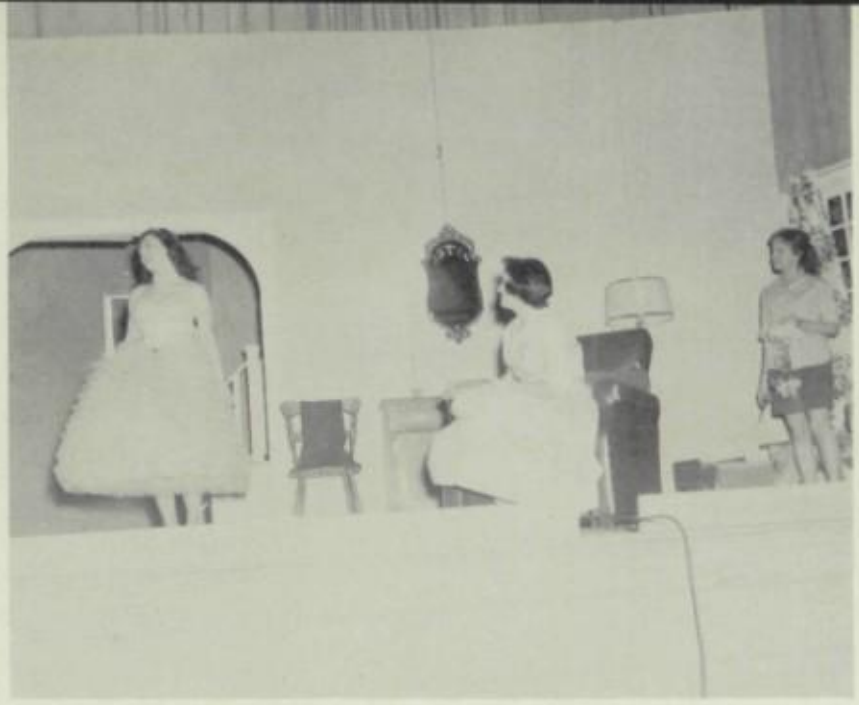
Dave receives his high school story.

Gee! Is that me? Oh read this. It all seems so long ago!

These are a few of the comments made when the seniors of "57" came back to get their **Orange and Blacks** on Yearbook Night.

Many find memories of things that had happened at the Junior-Senior Prom, the Senior Luncheon, and Class Day. All of these will be remembered forever by the graduates who, although they now are all doing different things, and many are at quite a distance, came back for Yearbook Night.

When will I see you again?



Angie's just out of this world!

This year, the Student Council opened its program by sponsoring the Charity Drive, and Charity Ball. It was successful, as were the other projects they had. All of the Student Council's projects help to make the school run more smoothly. This was proven when the members supervised hall-way traffic.

TIADAGHTON BOWL FESTIVAL

TIADAGHTON BOWL CEREMONY

The Tiadaghton Bowl ceremony was originated by Reverend Max Cook, who was formerly a Pennsylvania History teacher in our high school, to pay tribute to the historic old Tiadaghton Elm located near Pine Creek. This was the 12th crowning ceremony which traditionally takes place at the final home basketball game, and is sponsored by the Student Council.

1957's queen, Miss Carolyn Sweitzer, crowned as her successor, Miss Gaye Mencer, a member of the senior class. Miss Janice Dunlap was runner-up to the queen. In Queen Gaye's court were Mary Ellen Bubb, Kay Ellenberger, Sherry Stout, and Janice Dunlap, all seniors; Barbara Hurr, Glenda Koch, Margie Walker, and Janette Welshans, juniors.

Contestants for the annual pageant were chosen by the student body of the high school. The senior girl receiving the largest number of votes becomes queen and the four seniors and four juniors with the next highest number of votes form her court.

STRICTLY FOR GIRLS, THE TRI-HI-Y

OFFICERS

As the custom every year, we held an initiation for the Junior girls as the school year began. Our club now has approximately 75 members.

We had many projects this year but most important was co-sponsoring the Easter Egg Hunt with the HI-Y, helping with the March of Dimes, and making boxes for needy families over the Christmas vacation.

We also had a Valentine's Day Dance, a square dance, a hayride, an assembly program, and sold orange and black "pennants" and "shakers" at football games, as well as putting on the Pumpkin Prom with the Hi-Y.

The club elected as their officers this year Kay Ellenberger, president; Gaye Mencer, vice-president; Nan Eberenz, secretary; Janice Dunlap, treasurer; Pat Cooney, chaplain; Sherry Stout, sergeant-at-arms; and Miss Osborn as our adviser.

We hold our meetings twice a month at the YMCA. The purpose of our club is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

The main goal of FHA is learning to live better today in order that the homemaking pupils' lives and those of their families may be better tomorrow. Through our degree program we try to achieve our goals. Our various projects include such things as Civil Defense and good nutrition campaigns. We strive to develop creative leadership in home and community life, and to promote a greater interest in home economics. An annual affair of the FHA in which all FHA girls participated is the Mother and Daughter banquet. We also participate in county, regional and state meetings held througout the year.

A national organization reaching from the State of Maine to Hawaii and from Washington to Puerto Rico—to quote from the F.F.A. ritual for opening a meeting.

The Jersey Shore Chapter is one part of this great national organization, and is made up of those persons in our high school taking Vocational Agriculture.

The Chapter is designed to increase student opportunities in farming and fields related to it, serving as a place where boys can become more fully aware of their opportunities in the field of agriculture other than farming.

It is designed to give experience in leadership activity, co-operation with each other, social functions, thrift practices, and conservation.

These areas of learning are accomplished through state and area contest and shows, community and school activities, chapter meetings and trips and tours.

Officers for the chapter are:

MIXED GLEE CLUB

The history of the Mixed Glee Club tells us that it was started by Miss Ruth Bardo back in pre-war days. Miss Bardo directed the Glee Club for the last time, last year. This year, the club has a new director. His name is Donald Snider. He came here to help the students appreciate good music and also to teach them how to sing good music.

A nativity was not presented this year, as it has been in the past years. But the club did present a Christmas program. It was composed of a variety of music. Along with singing novelties, the club gave many sacred songs. On some of the familiar carols, the audience was asked to join in the singing.

Mr. Schoendorfer, Band Conductor

JERSEY SHORE AREA JOINT HIGH SCHOOL BAND

Practice for the band members started immediately after school began this year. The band was kept quite busy as it is every year. One of the events the band attended was the Flaming Foliage Festival. They also played for pep assemblies, football games, and parades. The senior Band members took a pleasure trip to Harrisburg, where they toured the capital, and to Hershey, where they went through the chocolate factory and went to the Ice Capades.

During football season this year, the band tried something new in half-time drills. They performed little "Droodles" or drawings and played songs to suit each one, as a clue. It was the audiences' job to guess what the drawings represented. If they could not guess the announcer told them. It went well for a first time in our school.

When football season was over the band started practicing for their Annual Spring Concert. It contained a variety of music, from classic to novelty. The director of our band is Frank L. Schoendorfer. It is supported by the Band Mother's Organization.

THE SENIOR CLASS

SENIOR WRITINGS

Our first year was spent getting used to our new surroundings and "making ourselves known" to our classmates. Our big step of the year, our class party, was quite a success. Guiding us were: President, Dave Meckley; Vice-President, Onalee Barton; Secretary, Timi Blackwell; Treasurer, Tom May; Adviser, Mr. Campbell.

As the green wore off, we came to realize that this wasn't such a bad place after all. We threw two dances our sophomore year—"The Dance of the Mousketeers" and "The Teen Swirl." We also chose our class rings this year. Taking the lead were: President, Dave Meckley; Vice-President, Perry Shoemaker; Secretary, Timi Blackwell; Treasurer, Tom May; Adviser, Mr. Ganoe.

We were really proud of ourselves this year because we were at long last upper classmen. We had a dance. our class play— "Onions in the Stew" and our Junior-Senior Prom featuring the Showboat. Our officers were: President, Dave Meckley; Vice-President, Perry Shoemaker; Secretary, Timi Blackwell; Treasurer, Tom May; Adviser, Mr. Sticinski.

At last we have reached the final rung on our ladder. For our class play we produced "We shook the Family Tree." The rest of our time was spent preparing for the "big day"—Graduation Day. Leading us this last year were: President, Dave Meckley; Vice-President, Tom Lanks; Secretary, Timi Blackwell; Treasurer, Tom May; Adviser, Mr. Sticinski.

CLASS POEM of 1958

by Charles E. Kahle

TO US THE CLASS OF '58
THIS IS A VERY IMPORTANT DATE.
IT MEANS THE TRIUMPH OVER 12 HARD YEARS,
WHICH HAVE STARTED US OFF ON OUR CAREERS.

MORE THAN CAN BE WRITTEN ARE THERE TO THANK.
WE'D BE OUT IN AN OCEAN IN A SHIP THAT SANK
IF THERE HADN'T BEEN THOSE WHO GAVE THEIR ALL
TO HELP US TO LEARN AND TO TEACH US OUR CALL'.

WE ARE GOING INTO A WORLD THAT IS NEW
WHERE ONLY THE FITTEST CAN LAST,
SO WE'LL LIVE, AND WE'LL FIGHT, AND WE'LL WORK,
AND A VOTE FOR WHAT'S RIGHT, WE'LL CAST.

FROM THE MOUNTAINS, FROM THE VALES, FROM THE SEAS, FROM THE TOWNS
WE'LL ALL LOOK UP TO THE SKY
AND THANK OUR DEAR LORD UP IN HEAVEN ABOVE
THAT WE GRADUATED FROM JERSEY SHORE HIGH.

JOAN L. YARRISON

Class Song of 1958

Eleanor Lee

Chérie Reitzel

1. We stand a- new on the threshold of Life!"—
2. To those behind us, we say, "Bon voy- age!"—

God guide you
As you

our footsteps God guide we
travel the road we

our path.
have trod.

And may we never
Don't fall or stumble,

as onward we go, provoke our friends and com-panions To
keep looking ahead; and put your Faith in an unfailing God.

As on life's road we travel along through health and

sickness through riches and shame; each one will leave a name

on the sign-post: to be for- gotten- or mentioned in fame.

A bass in the bathtub?

Where are the gloves boys?

"We Shook The Family Tree"

It is easy to understand why a girl doesn't want to miss the biggest dance of the year. It also is easy to understand why her mother doesn't want her to be a wallflower. But still this does not give mother the right to make dates for her daughter. At least she didn't have to make it with the only boy in school who wears knickers.

The play tells of all the funny and sometimes upsetting things that happen to an ordinary family when Mother takes action.

Our favorite pastime—eating.

OUR FOOD WAS OUT OF THIS WORLD

At The Senior Luncheon

The Senior Luncheon, sponsored by the P.T.A., was held at the Antes Fort Fire Hall. Hungry seniors did full justice to the splendid meal provided.

This year, gifts were presented to Mr. McIlwaine from the P.T.A. The Seniors' group singing was led by Walter Gilbride. Entertainment was provided by the Seniors themselves.

Walter emcees the entertainment.

Seniors bring forth a new sound.

THE MOST ENJOYABLE NIGHT OF THE YEAR

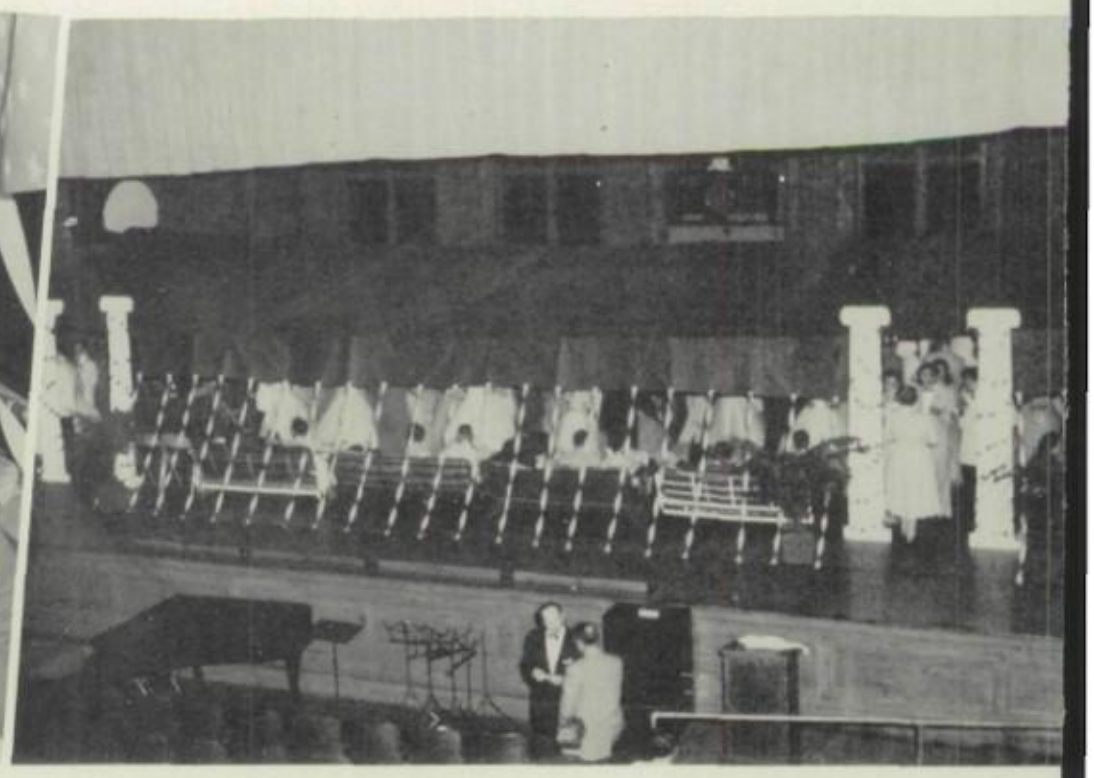
Our Junior-Senior Prom

Are their minds in space?

A bit of the "Old South" was transferred into space when the Bulldog tripped the light fantastic at the "Southern Plantation" to the music supplied by Johnny Nicholosi's orchestra. Thanks to the work of the Decoration Committee and Mr. Max Ameigh, the theme was successfully carried out. Everyone voted the evening simply "cosmic"!

What's the matter Jean, did you see a *flying saucer?*

Hard work went into the Prom.



A SOLEMN SERVICE
BACCALAUREATE

The annual religious service honoring the Senior Class was held on Sunday evening, June 1, 1958. The Reverend W. A. R. Gilbride delivered the sermon, with the Reverend H. Brayton Gifford Jr. in charge of the services.

With prayers and songs the seniors were started on the next to the last step toward graduation.

Seniors are more at ease now.

Reverend Gilbride gives the sermon.

A TRIBUTE TO UNDERCLASSMEN

Mr. Sticinski receives a gift for his hard work.

CLASS DAY 1958

Class Day means a different thing for the seniors than it does for the rest of the school.

Although the mighty seniors have fun and make jokes on Class Day, it means more than that. It is their way of saying good-by to the students, faculty, and the school.

The Class of 1958 has a very good motto. It is: "Out of School Life — Into Life's School." Only the seniors can fully realize the meaning of this motto. They have finally reached their goal, and some of them will go on to an even higher goal. No matter what the seniors do, they will be in "Life's School."

A WONDERFUL PERSON

The School Misses

Mr. Harry Bowers

With damp eyes and a heavy heart we watched our beloved custodian, Mr. Bowers, receiving the gifts that the teachers, students and faculty had bought him to show him our gratitude for all the wonderful things he had done for us.

No matter where we go or what we do we will never be able to forget Mr. Bowers' cheerful smile and helping hand that was always ready to perform the many tasks that we wanted done. It did not matter to him the size of the job that we wanted done, he would do it because he loved us.

However we can be sure that no matter how much he loved us we loved him twice as much.

Mr. Grugan, Mr. Schoendorfer, Mr. Rupp, Mr. Bowers, O. Barton, Mr. Greenaway, Mr. Bowes

CAFETERIA STAFF

Mrs. Lewis, Mrs. Tobias, Mrs. Dingler, Mrs. McCracken, Mrs. Kennedy.

Mrs. Sanford, our school nurse

CAFETERIA STAFF AND CUSTODIAL

To feed us we have our cafeteria staff. As we all know it is along tedious job to prepare food for all the hungry students, but these women don't mind and carry on just the same.

Here to help us with our many activities are the custodians, or guardians of the school. These men keep a very watchful eye on our school and always have it in the best of condition.

They also help us with the many problems that arise.
